Hi Melanie

We will have the attached order ready by Friday for dispatch . During QC check we found around 40 Pcs the total height as marked on the drawing is over size by 0.25mm.

Can you check and confirm if this is fine to accept so that we can mark it on the outside of the box and send it separately.

Also do you need exactly 600 Pcs or OK to accept a few more around 640 Pcs ?

Regards  
Kunal
